What's on: September

PART OF THE CC NURSERIES GROUP

Welcome to our September events update across the CC Nurseries Group. September always feels like a fresh start, with a new academic year beginning for some children as they leave us for School. For us at Nursery? It's lots more outdoor fun, fresh air, and plenty of autumnal activities as a change in season swiftly approaches.

MacMillan Coffee Morning

Last year we raised nearly £500 as part of Macmillan Coffee Morning across our settings, with ambitions to match this this year.
To find out if your Nursery is participating, please keep your eye out on Famly for more information.

Roald Dahl Day

Everyone has a favourite Roald Dahl character and the author's much-loved tales are celebrated each year in September on the 13th. We will be exploring Roald Dahl's literary characters and quotes from his tales with the children.

Recycle Week

Recycle week takes place between 19 and 25 September and as part of this we will be looking at how we recycle with the children and the impact recycling has on the wider world - also looking at other ways we can introduce recycling into our every day practise at Nursery. We can also see what fantastic creations we can create from recycling, too!

Food bank drive

National Food Bank Day falls in September and we thank all of those families who have donated food to our settings as part of our food bank drive across summer to 'feed the fun'. Our teams will be organising drop-offs to local food banks over the coming weeks, so watch out for more on Famly.
