

What's on: November

In November there are many important dates and holidays in our calendar (as well as some silly ones - like World Sandwich Day), from Diwali to Remembrance Day and St Andrew's Day on 30 November. Our teams have plenty of fun in store for our children and families across the month, including fundraising for BBC Children in Need.

World Sandwich Day

Our teams will be getting 'silly with sandwiches' on 3 November with some interesting spreads while drawing upon some of our favourite children's stories in honour of the humble sandwich. What's your favourite topping?

Anti-Bullying Week & World Kindness Day

This year anti-bullying week calls on 15-19 November, with World Kindness Day on 13 November. The theme for anti-bullying week this year is 'one kind word' and our teams and children will be looking at ways to spread a little kindness throughout the week.

Remembrance Day

Each year we commemorate Remembrance Day, which this year falls on a Thursday. Last year, children from our Marston setting created their own poppy wreaths and laid them at the local Cenotaph.

World Nursery Rhyme Week

World Nursery Rhyme Week falls between 16 and 20 November, and is a great opportunity for us to breathe new life into traditional song and rhymes with our story sacks and singalongs.

Diwali

We will be celebrating the Hindu festival of lights with some wonderful provocations based around colour and light.

CC Nurseries does Strictly

Last year, the CC Nurseries Group raised over £2000 for BBC Children in Need and this year we'd love to build on that success!

On Friday 19 November our teams across our Nursery settings will be putting on their sparkliest of costumes in aid of BBC Children in Need.

Attending children are welcome to come in their party clothes for a fun day for all.

Ways to donate via our online page will be shared on Famly.

Throughout November CC Nurseries' settings are collecting for their local food banks. If you're able to donate, please drop off goods with our teams!
