

What's on: March

March is jam-packed with national events and activities for us to take inspiration from in our play and learning, from pancakes to parties and picking up litter - there's so much going on!

Pancake Day - 1 March

Pancake day falls in March this year, which means lots of flipping fun to be had across our settings, with provocations inspired by Shrove Tuesday. We may even be trying some tasty pancakes too. What are your favourite toppings? (Picture from last year's Pancake Day - fun messy play at The Pump House, Brentford).

World Book Day - 3 March

We love to celebrate our love of books and this year's World Book Day is no different. We will have lots of fun learning more about our favourite literary characters, with songs, story sacks and more. For tailored information, please check Famly.

Red Nose Day - 18 March

We will of course be supporting Comic Relief and Red Nose Day across our settings. The theme for younger children this year is a party led by Cbeebies' favourite, Love Monster. If parents wish to donate via the Nursery, there will be an online donation link available via Famly, as well as more details about the day.
