

# What's on: April

April brings with it the fun of Easter time, and more opportunities for fun in the outdoors. There are lots of events to get involved in across the month and a whole new season to enjoy.

## Spring is here!

We've been enjoying lots of time outdoors across our settings, whether that be in our secure gardens, local green spaces or out into the community. It's been great to see the children so curious about all the wonderful changes that come with spring, from spring blooms to new life.

**Please remember a named sun hat so we can stay sun safe!**

## Easter

The children have already been showing an interest in Easter and there will be lots of fun activities across our settings which explore Easter themes.

## World Penguin Day

How could we forget World Penguin Day on Monday 25 April? Our favourite flightless birds feature often in our animal and small world play and favourite books!

## Working together

Taking responsibility and understanding our wider world is a big part of our Vision and Values so we will be pleased to get involved in Keep Britain Tidy in their latest campaign which started in March and runs through to April. More details to follow on Famly.

## National Superhero Day

Don your capes! On Thursday 28 April it's National Superhero Day - a day which the National Day Nurseries Association has adopted as a day to celebrate our wonderful colleagues and practitioners!
