

# What's on: June

June brings the Jubilee and lots of opportunities to celebrate. We also see awareness days dedicated to looking after the world around us, before rounding off the month with sports week!

## Dinosaur Day

We're sure our children would agree that every day is Dinosaur Day at Nursery, but did you know the official dinosaur day falls on Wednesday 1 June? We will be celebrating with lots of roarsome fun across our settings.

## Jubilee Fun

This year we're extremely lucky to be able to come together and celebrate the Queen's 70th year on the throne for the Platinum Jubilee. Don't forget to decorate some bunting for us to hang up in Nursery. Ask a team member for our template.

## Our wonderful planet

Both World Environment Day and World Ocean Day fall in June which are great opportunities to explore more about the wider world and think about ways we can look after our wonderful planet.

## Sports Week

Each June we dedicate a week to all things sports including our annual sports days. Look out for lots of sporty activities towards the end of the month.

## Father's Day

Father's Day brings with it a great opportunity to celebrate our brilliant male role models, including family and friends!
