

Parent/Carer Refer a Friend Terms and Conditions

Refer a friend and if their child takes a place at a CC Nurseries setting, you'll receive an Amazon Voucher as a thank you – your referred friend will receive 10% off one month's fees. Terms and conditions apply.

- To take advantage of this offer, the referred child must attend any CC Nurseries setting within the Group.
- In order to refer a friend, the referred must show the full name and address of the referrer on the CC Nurseries Application Form, including child's name.
- Once the referred child has started at the Nursery and has been in attendance for three full months, a 10% discount will be applied on the next full month invoice and the referee will receive a £50 Amazon voucher (delivered electronically).
- In the event of there being no fees, for example fully funded Early Years place, both parties will receive a £25 Amazon voucher.
- If the referred child withdraws before the three-month deadline has passed, the referred will not receive a discount and the Amazon voucher will not be given.
- There are no limits on the number of referrals received by one family.
- The scheme cannot be used in conjunction with any other offer.
- Referral rewards are variable. CC Nurseries reserves the right to terminate, suspend, cancel or amend the Scheme and/or review and revise these Terms at any time without giving prior notice.
